

LOW BACK STRETCHING

Instructions

General Instructions:

- Stretch **SLOW & SUSTAINED-NEVER BOUNCE.**
 - Always Stretch on both sides.
 - Frequency is the key! Stretch at least 3-5 times a day.
 - Stretching should be comfortable, **never stretch to the point of PAIN!**
 - If you feel pain with any of these stretches discontinue that stretch and consult your doctor before continuing.
- NOTES: _____

1) QUADRICEPS

- A) Hold onto a chair, couch or some other stationary object for stability.
- B) Stand on the right leg and pull heel towards the buttock until a comfortable stretch is felt in the front of the thigh.
- C) Hold for 8-10 seconds and release.
- D) Switch legs and repeat 3 times with each leg.

☐ Safe ☐ Not Safe

2) POSTERIOR HIP/PIRIFORMIS

- A) Sitting in a chair, cross your right leg over the left to form a figure 4.
- B) Keeping your spine erect, lean forward as if you were trying to touch the wall in front of you with your nose, moving your head in a straight line until you feel a comfortable stretch in the buttock. (If you feel the stretch in the upper thigh, you are not keeping the spine straight enough)
- C) Hold for 8-10 seconds and release.
- D) Switch legs and repeat 3 times with each leg.

☐ Safe ☐ Not Safe

3) HAM STRING

- A) Sit on the floor with the right leg extended in front of you.
- B) Tuck left foot near the right knee.
- C) Reach down extended leg with both arms until you feel a mild stretch in the back of the thigh.
- D) Try to keep your back as straight as possible.
- E) Hold for 8 to 10 seconds and release.
- F) Switch legs and repeat 3 times with each leg.

☐ Safe ☐ Not Safe

4) KNEE TO CHEST

- A) Lie on your back.
- B) Pull both knees to chest until you feel a comfortable stretch in your low back.
- C) Keep the back relaxed.
- D) Hold for 8-10 seconds and release.
- E) Repeat 3 times.

☐ Safe ☐ Not Safe

5) TRUNK ROTATION

- A) Lie on your back.
- B) Keeping your back flat and feet together rotate your knees to the right.
- C) Hold 8-10 seconds.
- D) Rotate knees to the left and repeat 3 times.

☐ Safe ☐ Not Safe
